KRAMER'S REMARKS...

Greetings my Fellow Skiers...

After working for 6 months on the trips, we finally had our first trip of the year to Big Snow Country. We started out with an icy parking lot, more than enough snow on the roads north, and a bus load of happy campers. Al, our pal, got us there safely while everyone enjoyed plenty of refreshments and a big card game in the back of the bus. A big THANK YOU to Lisa and Keith Breu for running a great trip. The success of these trips are all due to the trip leaders offering their time and expertise. Please see the article in this newsletter for the complete details... fun was had by all.

Our next trip is set for Marquette Ski Mt. on the weekend of February 7-9th. Our trip leaders, Mary Anne Herwig and Mark Nelsen are working hard to bring some extra fun to the trip. We have a few spots left, so please don't hesitate about joining the trip. This trip is a great deal... for only \$240 you can have a great weekend of skiing. Complete information on the trip will be part of the February 5th meeting at The Bar... starting at 7:30pm.

At the February 19th meeting, Sam Fontaine will provide information to everyone participating on the Winter Park trip. We highly recommend you attend this meeting for final details.

At the meeting in January I asked for ideas for the Summer Events and you have not disappointed me. The ideas have been flowing in, so keep them coming. In the March newsletter, we will offer a survey for everyone to prioritize the list. We hope to continue the fun we are having now throughout the summer.

I look forward to seeing everyone at our next meeting on February 5th at The Bar.

Dar Kramer

BIG SNOW WRAP-UP

by Lisa & Kieth Breu

It was a full trip for Big Snow this year. We had 51 people on the bus and 2 who joined us at the lodge. We also ran into a number of current and former members at Indianhead on Saturday and Blackjack on Sunday.

The weekend started with freezing rain. It was a long ride to Michigan, but Al got us to Indianhead safely. The band playing in Dudley's played later than planned, but we still only caught a couple of songs before they were done. The band was back Saturday night and a few members enjoyed the music while others played games or watched the football playoffs.

After sub-zero temperatures the week before, we had wonderful skiing weather. Sunday morning they were forecasting freezing rain in the afternoon, but instead we got sunny skies. We had warm temperatures for January and good snow conditions. Good weather, good snow, good friends - it was a fun weekend of skiing and socializing. Thank you to everyone for making this a great trip!
