Summer is finally here... at least the calendar tells us that. This means your Board is busy planning for the next ski season. This started with MaryAnne Herwig, Tom Sitter and me attending the CMSC Ski Show in Rosemont, IL. We attended a couple great sessions on helping ski clubs with web sites, marketing, planning ski trips, and dealing with airlines. This great information will help us move forward as a ski club.

The big news for June is the opening of our trip to Europe... DaVos, Switzerland and Venice, Italy on June 6th. Remember, all of your memberships need to be included with the sign up. I had the opportunity to meet our tour operator in Rosemont and he is excited to work with us to make this trip the Best Ever. Your sign-ups need to be postmarked June 6th... not earlier.

The other event we have for June is the Timber Rattler game on Friday, June 27th. It is very important that you make your decision to attend by June 6th. This is the date we need to release tickets we are not using. If you have specific questions, please contact Sam and Deb for more information.

We are working on a couple more activities for this summer. Once we have these organized, I will let you know.

Have a Great Summer,

Dar Kramer

National Bike Challenge

The National Bike Challenge is a nationwide event uniting thousands of current bicyclists — and encouraging countless new riders. It is a free and easy way to challenge yourself, your colleagues and your community to ride more while competing on a local, state and national level. We aim to unite 50,000 riders to pedal 30 million miles from May 1, 2014 until September 30, 2014. The challenge is free to all.

We are forming another cycling team to participate in the National Bike Challenge this summer. The name of the team is “NEW Skiers”. Membership is intended for those of us that participate in Gelandesprung Ski or Sly Fox Ski and Snowboard Clubs. Family and supporters would be welcome as well.

Our team last year logged more than 11,000 miles and 13,000 points. Gladys Hansen (Sly Fox) finished in first place from our clubs last summer with nearly 4,000 points by consistently riding her bike to work and back, about four miles per trip. Just as last year, 20 points are awarded each day that you ride 1 mile or more. You also receive 1 point per mile ridden (i.e. 5 mile ride gets 25 points). There is a prize program that you can read about along with lots of other information on the <https://nationalbikechallenge.org/> web page. But I ride for fun and enjoy the camaraderie of the challenge.

Sign-up is easy on the new web-site. I suggest that you try it. You'll like it. There is information in a PowerPoint linked to the Gelandesprung web site that will help you sign up <http://www.gelandesprung.org/content/2014-national-bike-challenge>. You can call **Tom Piette** (920) 465-9194, for help if you run into problems.
