President's Column

KRAMER's REMARKs...

Our 2013-14 ski season is off and running. The first two meetings of the year were very well attended and I want to thank all of you that have attended the meetings at The Bar.

As I write this newsletter, Sam is working on getting a few more spots on both western trips. With the great deals, the Aspen and Winter Park trips filled fast.

Now we are beginning to work on filling both of our Midwest trips to Big Snow and Marquette. I know it may seem a little early to think about January and February skiing, but the weather reports from out West show snow and they are predicting it is coming our way. These two weekend trips offer the opportunity to sit back and relax while our wonderful driver takes us to Upper Michigan. Please check out the details for the trips in the newsletter. We have volunteers as Trip Leaders on each trip and I know they are planning exciting events.

At our second meeting of the year, I shared the History of the Club. I had a couple people mention they were unable to attend and wondered what I found out... so I will share a few of facts.

In the fall of 1967 a group of enthusiastic skiers from the Fox Valley met at George's Supper Club in Appleton. The first year they had 65 members (last year we had 156 and during the past 46 years, the membership has been as high as 500 members.) The first president was Al Wihksne. In 1979, the President's Ski was started and all past presidents' names appear on this ski. (The present president gets to keep this during the year.) The club has had a variety of fundraisers. The biggest event was a Ski Fest. This was an event that involved live music, exhibits by vendors, and plenty of dancing and drinking. The Vice President was responsible for the event. Due to lack of attendance and changing times, the event was stopped. We have also had casino nights, selling of Entertainment Books, and now 50/50. The money raised goes to sponsoring events within the Club and donations to Special Olympics. The Point Beer Case: This tradition was started by Jack Switzer in 1978. The 12 pack of Point Beer became a 24 pack in 1992. Then after a flood in a basement, duct tape was added to the case (to keep it from falling apart). The Point Beer is now a 12 glass bottles minus two. The two bottles exploded due to the extreme cold. This is what I now have. Who knows what will happen to these bottles this year. The saga continues.

Please continue to invite new members to our meetings and our Club. It has been great to see so many past members returning.

See you at our next meeting on November 6th. Peak Performance will share great exercises to get ready for the season. At our second meeting, November 20th, we will have a fashion show sponsored by Hergert Ski-Sport-Marine Shop.

Take care,
Dar Kramer
