

IT'S A WRAP! BIG SNOW II, FEB. 19-21, 2021

This is our last Sly Fox Ski Club trip for the season.

There were 29 of us that made their way up to Indianhead Resort Lodge. We welcomed three new members of Sly Fox, Lauren, Alan & Coulter. Happy to have you aboard & a great time was had by all.

We started the weekend at Dudleys Saloon, listening to great music while we enjoyed a beverage and catching up with our ski friends. Some tried to keep it going in the foyer, most succeeded gathering in rooms.

The ski conditions were very good along with the temperatures. New this year was a Scavenger Hunt on Saturday. We used our phones to take photos of a list of tasks. Some I can put on the website & some are hum..... At the end of the Hunt we all gathered for a "Yoopers" tailgate at the top of Indianhead serving Gluhwein but missed my opportunity to take a group photo. Two groups completed the tasks & were awarded their prizes at breakfast.

It was really nice to be able to warm up and visit throughout the day at Red Dog fire pit, Sky Bar or Loggers Lounge. We are getting close to memories of the past.

I want to thank all that joined in the fun of the weekend. Keep your schedule open for next year trips. As soon as the trips are confirmed & contracts signed, I will be sending an eblast. 2021-22 Membership year starts May 1st so don't miss them.

Here's to more fun!
