Let's get together!

Summer evening cruises on the water are our favorites!

The river is often as calm and smooth as glass, the sunsets are superb and taking it all in with a drink in your hand - what could be better? Minimal narration on this one - stand up by the Captain if you would like to know more - about - anything! Note: Time changes to follow the tilt of the earth well, we try to get close.

Please arrive at 181 River Heath Way, Appleton, 15 minutes (6:15pm) prior to cruise time for check in.
